

Mac Donald's farm – Script

Hello, Uncle Mac Donald !

Come and see my animals.

Oh, Look ! It's a sheep.

There are lots of sheep.

And some goats.

There's a cow.

I love horses.

I like donkeys.

There are lots of chickens.

There are ducks too.

And turkeys.

There's a cockerel.

There are pigs.

And piglets.

And a dog.

And a cat.
